I take this opportunity to wish one and all a very Happy New Year 2016.

The year 2015 was one filled with new tourism initiatives in the segment of adventure and leisure tourism. We launched the Hot Air Balloon, Seaplanes, Amphibious vessels, and we are setting the stage for full fledged operations of all these new initiatives in the year 2016 commencing from January itself. This is just the beginning. Tourists visiting Goa will be further enthralled by other new initiatives such as ropeways, bungee jumping, horse riding trails, scuba diving and more. In the year 2016, we will also ensure that tourism infrastructure is further augmented and we have various tourism amenities set up like toilets, changing rooms, locker facilities on the beaches. Top priority will also be given to safety and security of tourists, while also ensuring clean beaches, proper accesses to tourist spots, better illumination and beautification of tourism locations and structures. We have also launched Registration Facilitation Centers (RFCs) for North Goa and South Goa to facilitate e-registration of tourism trades and services. Many more such facilities will be added on to the tourism bouquet in 2016. I wish everyone a very Happy and Prosperous New Year 2016 and appeal to young and enterprising Goans to come forward and assist Goa Tourism in serving as its ambassadors.
