

## Honeymoon Package

Goa has often been called the most visually appealing and romantic beach destination in India. The element of surprise in every corner, the constantly changing landscape, ease of access and the warm acceptance of the Goans make the state top many couple's holiday lists.

As a destination, Goa offers the whole package for the honeymooners. Whether backpacking across the state or relaxing at beach front hotel, the state offers the perfect blend of adventure and calm.

GTDC offers a honeymoon package at the Mayem Lake residency. Travellers can also avail packages through their travel agents.
