Infrastructure Development

The once-popular Mayem Lake in Goa is all ready to get a facelift soon. Goa Tourism Development Corporation, under the assistance of State Finance has proposed 'The Development of Mayem Lake.' Mayem Lake which is situated in Bicholim taluka in North Goa is known for its scenic beauty. It serves as an ideal picnic spot & provides great opportunity for paddle boating and photography.

M/s Fourth Dimension Architects Pvt. Ltd, Pune has been appointed to conduct the said project. The plan involves a new grand entrance with a 12m wide road and parking area. There will be a natural trail where people can feel and experience the lake view and natural beauty of the site. Picnic spots for families and groups have been proposed, some equipped with a barbeque counter, electricity & drinking water facility. A children's play area is also proposed near cafeteria. The old cafeteria will be replaced with a new cafeteria designed with a large outdoor coffee deck for seating. There will be a promenade all along the waterfront where people can enjoy sitting, watching, etc. An Amphitheater is proposed towards the south-east so that surrounding activities are not disturbed. The estimate cost of the project is 8.58 crores. Time limit will be
