

Public Private Partnership

In order to develop premium tourism infrastructure in the State thereby expanding the service portfolio, GTDC has proposed "Development, Operations and Maintenance of Passenger Ropeway along with allied tourism activities between Panaji and Reis Magos crossing River Mandovi". Accordingly, GTDC had executed Concession agreement with Royal Rides Private Limited on 09/12/2016 under Public Private Partnership.

The project concept is development of Passenger Ropeway (800 PPH Monocable Detachable Gondola adhering to European CEN standards) across river Mandovi along ancillary tourism activities, which includes construction of two Terminal buildings and Ropeway towers at Panaji and Reis Magos.

- For construction of the Lower Terminal Building at Panaji, Government had allotted land admeasuring 5,200 Sq.m. bearing PT Sheet No. 97 Chalta no. 7 belonging to the Department of Tourism, near the swimming pool, in Campal, Panaji.
- For construction of Ropeway Tower at Panaji, Government had allotted land admeasuring 400 Sq.m. bearing PT Sheet No. 79 Chalta No. 1 belonging to Government of Goa.
- For construction of the Upper Terminal Building and Ropeway Tower at Reis Magos, land admeasuring 8,000 Sq.m. bearing Survey No. 91/1 belonging to the Comunidade of Nerul in Reis Magos village has been taken on lease for a period of 99 years from Comunidade of Nerul.
